

Choir Student Leadership Program *Policy and Procedure Statement*

Adopted May 1, 2018

Policy Maintaining the continuity and integrity of the leadership position is a privilege, not a right. Students who successfully complete the application process and training are expected to comply with the school's no-tolerance policy regarding illegal use of tobacco, alcohol, or other drugs.

Purpose This document should clearly define the qualifications for participating as a student leader/officer in the choir program, and reinforce the no-tolerance policy pertaining to tobacco, alcohol, or other drug use, and behavior expectations on and off campus.

Procedure

Every student who successfully completes the choir officer application (on reverse side) shall be required to comply with the Round Rock ISD Student Code of Conduct.

The written Choir Officer Code of Conduct shall act as a guide to the student when representing the choir program.

The policy will be reviewed at leadership trainings during an appropriate block of instruction.

The Choir Officer Code of Conduct reads as follows:

As a choir officer, I understand that my actions reflect directly on the entire program. I will conduct myself in a manner that will present a positive role model to the students I mentor and the community I serve.

I understand that becoming a Choir Officer is a privilege, not a right, and that violation of any of the Round Rock ISD Student Code of Conduct or the Choir Officer Code of Conduct may result in my removal from the position.

I understand that a Choir Officer is the most visible representation of the choir program. My conduct is closely scrutinized, and conduct on or off campus may reflect on the program. Choir Officers must conduct themselves at all times in a manner which does not bring discredit to themselves, their fellow students, the school, or the choir program.
